

# TMD TECHNOLOGIES VACANCY

**Title:** QA Engineer

**Responsible to:** Quality Manager

**Scope:**

To ensure that the introduction of all new projects within the business meet the requirements of the Quality Management system and also to improve the effectiveness of Quality Engineering within TMD's processes

**Main Duties:**

- Perform internal ISO audits in accordance with the audit schedule.
- Facilitate the closure of outstanding audit actions.
- Review failures with manufacturing and engineering and record the output of all remedial activity taken on the live Sequel data acquisition system.
- Jointly evolve the data capturing systems and collaborate with the relevant personnel to initiate improvement.
- Develop quality plans, process maps, quality control flow-charts in accordance with internal/customer requirements.
- Support / organise and prepare Internal / Customer / Quality Presentations when applicable.
- Support Supplier Management and the Ship To Stock initiative.
- Support the QA inspection team to vet Acceptance Test Procedures (ATPs), Test Plans, build failure corrective actions and providing QA sign off as required in accordance with procedures.
- Support the development and implementation of the effective corrective action process and actively applying problem solving techniques to reduce reject levels (e.g. warranty returns, internal failures, supplier rejects etc) throughout the business.
- To comply with the Company Policy on Health & Safety.
- To undertake any other task, this may reasonably be requested.

**Qualifications:**

- **Engineering (Electrical / Electronic Engineering) / Science Degree or Equivalent**

**Experience & Other Qualities:**

- **+ 5 years minimum experience in a manufacturing industry**

Job Reference: Quality Engineer January 2019

**Note for Recruitment Agencies**

We have a dedicated HR team that manages TMD recruitment. With the help of our PSL, Company Website and online advertising we plan to occupy our vacancies. CVs will only be accepted from the above mentioned methods. TMD will contact recruitment agencies should we wish to engage their services; please do not contact us as CVs will not be accepted.
